Instructions for Snowball Quilt

Kit Contains: (Or, make your own kit at home from your stash as follows)

18 – 6” squares focus fabric

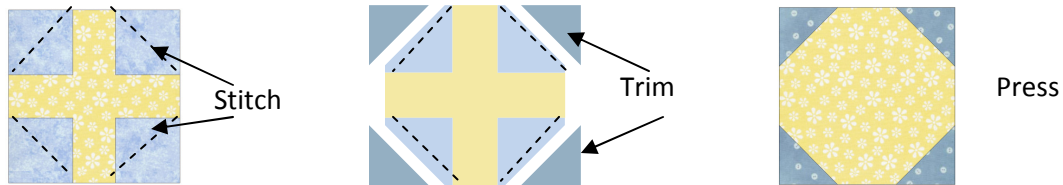

17 – 6” squares background fabric

72 – 2 ¼” squares background fabric

4 – 4” x 42” strips border fabric (may be the same as background)

Make Snowballs:

Onto each 6” square of focus fabric, sew 4 small squares to each corner. Trim as shown and press open.

Sew four rows of snowball > Background > Snowball > Background > Snowball

Sew three rows of Background > Snowball > Background > Snowball > Background

Sew the rows together and add borders as show in the illustration at the top.
