

<p>Your Library</p>	<ul style="list-style-type: none"> • What is the lending period for library items? Library books, magazines and CDs may be borrowed till the next guild meeting. Typically a month. The one month borrowing is especially important for new additions (books numbered 400 and above) since these items are in high demand. If you won't be at the next guild meeting; please find a friend that can return your borrowed items. • What is the new magazine borrowing process? The process for signing out magazines has changed. Magazines that need to be signed out have 'please sign out' on the front cover. Inside the magazine is a pocket envelope (just like the library books) with a library sign out card. Sign and date the card and leave with the library staff. There are other magazines available that you are welcome to borrow and return at the next meeting. These magazines DO NOT have 'Please Sign Out' on the front cover. • How do I suggest books or themes for the library? Please tell one of the library staff at a guild meeting. Or email halina@dales.ca
