

Boutique 2017

As you know the wheels are in motion for our 2017 Quilt Show. We are doing a kick off for the Boutique at the May meeting as we know how eager you all are at getting started. There will be a display that we hope will start your creative juices running.

Remember, this is every member's show so the more participation the better. You may see ideas at other shows, in a magazine, on line or just being out and about. Please share those ideas and suggestions. You can do that at the meetings or email Lynda Griffin, jtglm8@gmail.com and/or Sue Bogers, slbogers@gmail.com.

Halina Dales has started a Boutique spot on the website so make sure you check that out as there will be things added as the links and ideas come in. Variety always makes the Boutique more interesting.

Key criteria is that the item must be sewn by you. It is your choice if the item is quilted or not. We encourage that the items be current in respect to fabrics used and the nature of the item. Starting in September, you will be able to bring your finished items in. We will have a station set up at each meeting, leading up to the Quilt Show, so you can see each others handy work as it comes in.

As a percentage of the proceeds are designated for charity back into our community, your contributions will be greatly appreciated plus it is an opportunity for you to try making things that you would not normally make.

We look forward to seeing you at The Boutique display!!!

Lynda Griffin & Sue Bogers
