December General Newsletter

The holiday season is fast approaching, 2017 is coming to an end. Take a moment and congratulate yourself on all that you have accomplished over the past year. How many new projects were started? How many UFOs were finally put to rest? Did you learn any new skills? Did you re-acquaint yourself with old quilting buddies and make new ones at guild meetings and shows? No matter the number, take a moment and pat yourself on the back. It is heartwarming to see so many still embracing the art of quilting. An art that we need to pass on to future generations. Techniques and styles of quilting may change but the underlying love of the art carries on.....with your continued support.

As always, we look forward to hearing from you with any suggestions to assist us in promoting quilting in Canada.

Irene Lafleche
CQA/ACC Membership Director

Thank you for participating in the November survey related to the Canadian Quilter magazine. The winner of the quilting book is Ruth Niedziejko from Heriot Bay, BC. Your next chance to win a quilting book will appear in January's newsletter.
