

## Modern Quilt Group – May 3, 2018

Present: Gillian, Carol, Joanne, Ardith, Halina, Wendy W., Sandi, Margaret, Sue B., Carolyn, Hanne, Linda S., Wendy B., Stella, Rosemary, Lynda G.

Information Sharing – from Sue Patten’s course – put a piece of lego under the foot pedal for speed control when free motion quilting. Using a “Super Slider” on your machine bed really helps the fabric to slide better (purchased at Quilt stores - \$\$). Other members have used parchment paper.

Humboldt Quilts - 6 quilts are finished and ready to be sent.

### Monthly Challenge

- members showed the flowers made for the May challenge
- challenge for June is a butterfly or bird block

### Applique Discussion

- can be machine or hand done
- freezer paper
- needle turn
- tear away stabilizer
- wonder under

### Show and share

- Sandi showed the finished quilt top that she and Mary McF designed from the blocks that members made/donated in April. The quilt will be donated for a teenage girl.
- members showed projects that they had been creating

### Next Meeting

June 7, 2018, 1-3 pm at Quilting in Muskoka store with Sue (owner).

Shop hop this week-end “Hills and Valleys” – includes Country Concessions in Cookstown and several others

### Summer meetings of this group

Members decided not meet during July and August this year.
