- 4) Following the diagram using the Tan Dot setting squares.
Sew the quilt center in rows once you have all the blocks.
It's fun to start sewing the rows now and add as new blocks come in through October 2018

The setting triangles are slightly over sized.
Once you have this top trim square to 51 1/2" x 51 1/2"
Be sure to leave a 1/4" seam allowance around it.
