

# Quilt Registration

## Key points

- **Each quilt** that you are submitting, has an entry form.
- If you would like to **sell your quilt**, then you must include the asking price and your phone number. This allows potential buyers to contact you directly.
- **The size of the quilt is very, very important.** This helps with the floor and display planning.
- For some, **writing a story** about the quilt can be difficult. Click on [Story Guidelines](#) for help. Jan McD has provided the guidelines and has included the story of her quilt as a sample.
- Please send a **photo of your quilt** to [muskokaquilts2020@gmail.com](mailto:muskokaquilts2020@gmail.com). Since the photo is for security and identification purposes, it does not have to be a photographic masterpiece. However, if you are interested in how to take digital photos of quilts for the CQA National Juried Show [click here](#).
- It is **never too early** to submit entry forms.

## The Entry Forms

The entry form will be available as a **paper form** and also as an **online form**.

Two types of information will be captured:

- Information to prepare a quilt label
- Information for planning the displays of quilts

## Paper Form

Click on [2020 Muskoka Quilts Show Entry Form](#) to see and print the paper form.

For those that do not have email or are uncomfortable with the online form, please submit entries using the paper form. Entry forms will be available at our general meetings and by clicking on the link above.

## Online Form

Here's the link to the [Online Entry Form](#).

The benefits of using the online form are:

- No one has to guess as to what was written. Of course, there may be some editing.
- Everything you typed will be entered automatically into the show records. Far less work for the committee.

### **How Will You Know If Your Entry Has Been Submitted?**

You are not done until you click on the Submit button. It looks like:

[Submit](#)

Your entry has been successfully submitted when when you see:

---

*Thankyou for entering the 2017 Muskoka Quilts! show. 'Google Forms' has sent you an email with your responses.*

### **What To Do If You Have More Than One Entry**

You can submit a new entry in one of two ways:

- As soon as you submit an entry, you will have an opportunity to submit another one
- You can use the link above, as many times as you need.

### **If You Need To Change Your Entry**

You can change your entry in one of two ways.

- As soon as you submit an entry, you will have an opportunity to **Edit Your Response**. Make sure the you hit the 'Submit' button after editing.
- Each time you hit the submit button, Google Forms will send you an email with your responses. At the start of this email you will have an opportunity to **Edit Your Response** to what you had submitted.
