

**Modern Quilt Group**  
**Thursday February 4, 2021**  
**Zoom Meeting**

All welcomed and 14 members present.

**New:** Thimbles and Things have lots going on. Check web site.

**BOM:** Sandi presented a heart block- 2 reds 3.5"x6.5" and 2 whites 3.5"squares and 4 whites 2" squares. Margaret is presenting BOM in March.

**PROGRAM:** Mary Mc talked about **Quilt Con Show** that takes place Feb 18-22. Merchant mall and free demos plus show of many categories of Modern quilting. Juried show winners are featured, and many classes can be taken.

Check out the web site and the featured speakers. <https://www.quiltcon.com/>

Quilt Con Magazine comes out this month and many of us would like to buy one. Lynda G will check at Pharma Save in Huntsville and have them save copies for us.

Margaret will give a presentation about Kaffe Fasset for March and Sandi will do April.

**WHAT MODERN MEANS TO ME:** Sandi did a SEE Block and Mary R did a wall quilt – 'THANKFUL' with blocks from our previous BOMS.

**SHOW AND SHARE:**

Carol: Heart pillow in her own dyed red fabric with hearts and X's and O's.

Margaret: Placemats from a floral fabric that she will Mod Podge and put cork backing on. Peace Angel quilt using Kaffe Fasset fabric for a niece who is very ill and having surgery. Christmas Irish Chain quilt.

Mary McF: Multi colored blocks in a block quilt. White squares with multi colored multi colored corners.

Sandi: Circle of Friends quilt done with Liberty prints.

Sheila: Sherri Heisey's Pattern-[Miss Lacie's Promise](#) in red, green and cream that she did for friend.

Stella : She is making blocks from [Tula Pinks 100 Modern Quilt Blocks](#). Showed, a log Cabin quilt with embroidered centre.

Pam: Kaffe Fasset Circle Pattern and Disappearing 9 patch in blues and creams. Pam is doing a BOM with Libs Elliot on-line

Wendy W: Wonky Tree wall hanging

***Next meeting will be March 4, 2021***

Thanks to Pam for hosting Zoom and setting up slide shows for us.

**QUOTE:** Creativity flourishes not in certainty but in Questions?????

***Minutes by Wendy W.***
