

Modern Quilt Group Zoom Meeting March 4, 2021

14 Present

Thank You

Thanks to Carol, Joanne and Hanne for presenting QUILT Travel in guild newsletter and also thanks to Lynda for obtaining QUILT CON Magazines for us.

BOM and Featured Quilter : Margaret presented Kaffe Fassett whom most of us are familiar with. He is internationally known for the past 30 years. He started out as an artist, moving on to needlework, knitting and then designing quilts and fabrics. He has published many books.

The BOM is from his book [Quilts in Ireland](#): Whirling Stripes. Margaret has sent the pattern to us.

Halina will do BOM and Sandi will do Featured Quilter for April.

Quilt Con Review: Wendy W had reviewed Jen Kingswell who taught at Quilt CON. She does intricate medallion and circle motif hand applique quilts all done by hand.

Update On Projects: We will delay putting together STYX blocks until Covid rules lifted and we have had the vaccine.

Doing our "Word "block is ongoing for the year.

Sew Day Discussion: After an open discussion we decided to have a day to meet and exchange fabric scraps for a "crumb blocks.

For those who query a crumb quilt please look up online. We will make blocks out of scraps.

We agreed that we did not want a Zoom day as most of us are tired of sitting in front of a computer and will be nice to see each other.

For our May 6 meeting we will meet at Annie William's Park and have a " CRUMB "picnic and swap baggies of fabric for this project.

Social distance and chairs, masks, lunch and material baggies in hand.

This was a "Modern" fill of inspiration and sharing afternoon.

Thanks to all for making this meeting great!

Next meeting April 1 by Zoom.
