Northern ON Representative Position Available

Do you like seeing gorgeous quilts?

Do you like sharing what you know in our craft?

Do you enjoy going to various quilt shows?

Would you like a chance to go to Quilt Canada as staff and see how it's done?

I have been putting off announcing this decision because I do love doing this job for CQA. My body does not agree. For health reasons as of June 30, I will no longer be your Northern ON Representative for CQA/ACC.

I've enjoyed meeting many of you and seeing how you do things in your guilds. I've loved seeing some of you starting to communicate with each other. This was always my goal. I am psyched about our Northern Waters Display in Toronto and I will be looking forward to see others' reactions when they see it!

If you are at all interested, please contact me and ask any questions you like. CQA will also begin announcing for this position. Go ahead. Jump in and see what fun I have been having these past 4 years. I have plenty of information to pass along to you. connell.crafts@outlook.com
